Memorandum of Understanding

Between

Department of Electronics and Communication Engineering,
Institute of Engineering and Technology, Bundelkhand University,
Jhansi

And

SR Group of Institutions College of Engineering Management and
Technology, Jhansi

Department of Electronics and Communication Engineering of Bundelkhand University, Jhansi and SR Group of Institutions College of Engineering Management and Technology, Jhansi recognize their strengths in research and education in one or more disciplines of Science Engineering, management and social sciences, and their mutual interest in engaging themselves in academic cooperation. They therefore agree to establish a programme for academic cooperation in the areas of mutual interest, and in accordance with terms and conditions set forth in this memorandum of understanding (MoU).

A. Objectives

The aim for this arrangement is to set up such an environment where the students can benefit from better education system through correspondence, shared interests, mutual benefits, and interactive sessions held by the two institutes. The objectives under this memorandum consist of ideas including:

- a) to exchange information on research and educational programmes
- b) to exchange information on teaching, learning material and other literature relevant to their educational and research programmes
- c) to jointly organize short-term continuing education programmes on topics of mutual interest and to invite each other's faculty to participate therein
- d) to jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein

Estd. 2002

e) to jointly propose and engage in research or training programmes sponsored by funding agencies, and to invite each other's faculty to participate therein
f) to exchange, on a reciprocal basis, students for limited periods of time for the purpose of education and /or research. Department of Electronics and Communication Engineering, IET Bundelkhand University, Jhansi and SR Group of Institutions College of Engineering Management and Technology, Jhansi further agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation, etc.

B. Joint Sponsored Research, Development and Consulting

The Department of Electronics and Communication Engineering, IET Bundelkhand University, Jhansi and SR Group of Institutions College of Engineering Management and Technology, Jhansi agree to help identify and invite faculty members from the other institution to participate in research or development programmes. The terms and conditions for such participation will be worked out by mutual agreement between the two bodies.

C. Exchange of Faculty, Scientists and Staff

The two institutes agree to encourage collaboration between faculty and scientists from the two institutions. Specifically, institutions will encourage members of their faculties to undertake short visits to, or take up fixed-term visiting assignments at, each other's institution as per the existing norms. Terms and Conditions for each visit or an assignment, including those concerning stipend, travel, and housing, name of the concerned faculty member will be worked out between the institutes. Notwithstanding the above, the Department of Electronics and Communication Engineering, IET Bundelkhand University and SR Group of Institutions College of Engineering Management and Technology, Jhansi will examine ways to identify financial resources to fund international travel by their faculty/scientists/students.

Estd. 2002

D. Student Exchange

The two institutes agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate.

A host institution refers to an institution that receives a student for a brief period to undertake a pre-determined programme of study or research.

- a) Exchange students will be selected by mutual agreement between the home institution and the host institution.
- b) An exchange student will continue to be treated as full-time student at his/her home institution.
- c) An exchange student will be considered as full-time "exchange" student at the host institution.
- d) His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- e) The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.
- f) The home institution may award to the exchange student credits earned at a host institution, but only after the home institution has established correspondence between courses taken at the host institution vis-a-vis those offered at the home institution.
- g) If an exchange student has undertaken research, then the host institution will evaluate the exchange student's performance in the research, and issue a letter to that effect, together with a technical "report" of the research carried out.
- h) If an exchange student has undertaken research, then the home institution will take note of the performance evaluation and the technical report, and take steps in accordance with its own procedures.
- i) Department of Electronics and Communication of Bundelkhand University and SR Group of Institutions College of Engineering Management and Technology, Jhansi agrees on providing with suitable accommodation and living expenses for the student exchange.
- j) To avail travel expenses, students can apply for existing funding programs at their respective home universities.
- k) The exchange students will pay tuition and other fees at their home institution.

Estd. 2002

E. Exchange of Scientific and Technical Material

The two institutes will exchange information on research and educational programmes and teaching/learning material and other literature relevant to their educational and research programmes. Further, Department of Electronics and Communication Engineering IET Bundelkhand University and SR Group of Institutions College of Engineering Management and Technology, Jhansi agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

F. Joint Conferences, workshops, and short-term courses

The two institutes agree to conduct Joint Conferences, workshops, and short-term courses to help identify and invite faculty members from the other institution to participate in such events. The terms and conditions for such participation will be worked out by mutual agreement between the Department of Electronics and Communication Engineering IET Bundelkhand University and SR Group of Institutions College of Engineering Management and Technology, Jhansi.

G. Intellectual Properties

Department of Electronics and Communication Engineering IET Bundelkhand University and SR Group of Institutions College of Engineering Management and Technology, Jhansi agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MoU will be worked out on a case-by-case basis, and will be consistent with the officially laid down IPR policies of the two institutions.

H. Co-ordination

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf.

2/6

Estd. 2002

Further, a coordination committee, consisting of

- (a) Coordinator, Department of Electronics and Communication Engineering, IET Bundelkhand University or his/her nominee,
- (b) Director, SR Group of Institutions College of Engineering Management and Technology, Jhansi or his/her nominee,
- (c) Programme Coordinator from the side of Department Electronics and Communication Engineering IET Bundelkhand University, Jhansi and
- (d) Programme Coordinator from the side of SR Group of Institutions College of Engineering Management and Technology, Jhansi will periodically review and identify ways to strengthen cooperation between the two institutions.

I. Tenure and Termination

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither of the two institutes will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, Department of Electronics and Communication Engineering IET Bundelkhand University, Jhansi and SR Group of Institutions College of Engineering Management and Technology, Jhansi will ensure that all activities in progress are allowed to complete successfully.

J. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, Coordinator, Department of Electronics and Communication Engineering IET Bundelkhand University, Jhansi and Director, SR Group of Institutions College of Engineering Management and Technology, Jhansi will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility. This MoU is signed subject to approval of the respective academic/administrative bodies.

IN WITNESS WHERE OF, each of the Parties has caused this Agreement to be executed by its duly authorized as of the date first written above

Memorandum of Understanding

Between

SR Group of Institutions, Jhansi, Uttar Pradesh and Edunet Foundation

For

IBM Skillsbuild Program

This Memorandum of Understanding is entered 19/12/2022 ("Effective Date") by and between **Edunet Foundation** having its office at A-11-1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "Edunet"); and **SR Group of Institutions, Jhansi** having its address, 16 Km, Gwalior Road, Ambabai, Jhansi, Uttar Pradesh 284002 (here in after referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities that are offered free to learners across the education spectrum, including but not limited to the **IBM SkillsBuild** (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (Year)	2010
Recognition, NAAC Rating, Ranking	<ul style="list-style-type: none"> ▪ SR Group of Institutions, Jhansi <ul style="list-style-type: none"> • College of Science & Engineering (145) • College of Engineering Management & Technology (715) AICTE Approved, Affiliated by AKTU-Lucknow • SR Group of Institutions, Polytechnic (3333) AICTE Approved, BTE- Lucknow. • College of Pharmacy (387), AICTE & PCI Approved, Affiliated by AKTU-Lucknow. • SR College of Pharmaceutical Sciences (3034), PCI Approved, Affiliated by UPBTE-Lucknow. ▪ SR College of Professional Studies, Jhansi ("NAAC" B+) <ul style="list-style-type: none"> • College of Professional Studies (590), Affiliated by Bundelkhand University Jhansi • SR College of Law (806), Affiliated by Bundelkhand University Jhansi
Vision	<p>SR Group of Institutions, Jhansi envisions providing a conducive ambience of creative ideas by delving into the depth of young minds and helping them to provide best results for the development of self, so as to contribute to the society and the country as a whole. It offers multidisciplinary education platform that enables students to pursue study deep in breadth and depth in the areas of their interest and excel in every sphere of life. The institution has a vision to emerge as a centre of excellence of national and global repute for the students, academicians and industries.</p>

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called "**MOU**") witnesses the following.

1. **Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
2. **Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
3. **Certifications on course completion:** Learners will be certified from IBM Skillsbuild after successful course completions.
4. **Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
5. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
6. **Responsibilities of Edunet and/or its program sponsors/partners:**
 - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
 - d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
 - e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - f. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
 - g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
 - h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc.) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
 - i. **Updates:** Edunet will keep Institution management updated with the progress of the program(s).

7. Responsibilities of Institution:

- a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
- b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
- c. **Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
- d. **Support with computers labs and classrooms:** Institute will make its labs available to learners. It will make classrooms and/or audio-visual equipment available for face to face sessions, whenever required.
- e. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
- f. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.

No fees: This is a non-commercial program and hence Edunet Foundation will not charge any fee neither from the institute nor from the students.

In witness where off, the parties hereto have executed this MOU on the Effective Date.

D. Student Exchange

The two institutes agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate.

A host institution refers to an institution that receives a student for a brief period to undertake a pre-determined programme of study or research.

- a) Exchange students will be selected by mutual agreement between the home institution and the host institution.
- b) An exchange student will continue to be treated as full-time student at his/her home institution.
- c) An exchange student will be considered as full-time "exchange" student at the host institution.
- d) His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- e) The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.
- f) The home institution may award to the exchange student credits earned at a host institution, but only after the home institution has established correspondence between courses taken at the host institution vis-a-vis those offered at the home institution.
- g) If an exchange student has undertaken research, then the host institution will evaluate the exchange student's performance in the research, and issue a letter to that effect, together with a technical "report" of the research carried out.
- h) If an exchange student has undertaken research, then the home institution will take note of the performance evaluation and the technical report, and take steps in accordance with its own procedures.

Estd. 2002

- i) Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur and SR Group of Institutions College of Engineering Management and Technology, Jhansi agrees on providing with suitable accommodation and living expenses for the student exchange.
- j) To avail travel expenses, students can apply for existing funding programs at their respective home universities.
- k) The exchange students will pay tuition and other fees at their home institution.

E. Exchange of Scientific and Technical Material

The two institutes will exchange information on research and educational programmes and teaching/learning material and other literature relevant to their educational and research programmes. Further, Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur and SR Group of Institutions College of Engineering Management and Technology, Jhansi agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

F. Joint Conferences, workshops, and short-term courses

The two institutes agree to conduct Joint Conferences, workshops, and short-term courses to help identify and invite faculty members from the other institution to participate in such events. The terms and conditions for such participation will be worked out by mutual agreement between the Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur and SR Group of Institutions College of Engineering Management and Technology, Jhansi.

G. Intellectual Properties

Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur and SR Group of Institutions College of Engineering Management and Technology, Jhansi agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MoU will be worked out on

Estd. 2002

a case-by-case basis, and will be consistent with the officially laid down IPR policies of the two institutions.

H. Co-ordination

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf.

Further, a coordination committee, consisting of

(a) Vice Chancellor, Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur or his/her nominee,

(b) Director, SR Group of Institutions College of Engineering Management and Technology, Jhansi or his/her nominee,

(c) Vice Chancellor from the side of Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur and

(d) Director from the side of SR Group of Institutions College of Engineering Management and Technology, Jhansi will periodically review and identify ways to strengthen cooperation between the two institutions.

I. Tenure and Termination

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither of the two institutes will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur and SR Group of Institutions College of Engineering Management and Technology, Jhansi will ensure that all activities in progress are allowed to complete successfully.

Estd. 2002

J. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, Vice chancellor, Chhatrapati Shahu Ji Maharaj University (CSJMU), Kanpur and Director, SR Group of Institutions College of Engineering Management and Technology, Jhansi will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility. This MoU is signed subject to approval of the respective academic/administrative bodies.

IN WITNESS WHERE OF, each of the Parties has caused this Agreement to be executed by its duly authorized as of the date first written above
